COME TO SICAM

INNOVATION & NETWORKING

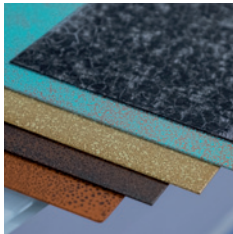

EIGHTH
EDITION

A powerful tool for networking and business development: this is SICAM! For years, companies in the furniture industry have consistently inserted it in their diaries among those events not to be missed.

The 8th edition of the International Exhibition of Components, Accessories and Semi-finished Products for the Furniture Industry will be held in Pordenone, from Tuesday 18th October to Friday 21st October 2016: four days to meet with the best key players in the furniture industry and to learn about the newest trends. SICAM is the event in which new products and new ideas are presented to the market, and where projects are developed: the next season's collections and new products for the international furniture fairs are prepared.

Every time in Pordenone it is possible to meet new professionals, to open relationships with emerging markets and to consolidate those already initiated in. The typical SICAM atmosphere is the plus that makes business meetings easier and more effective; in the stands in front of the product, or in the restaurant for a quick business lunch: there are the best conditions for advantageous conversation with the most qualified participants.

QUALITY OF SERVICES

Making a visit to SICAM in Pordenone is easy: an accurate and efficient organisation provides all services, with the utmost attention to the operator's requirements, so that exhibitors and visitors can network focusing solely on their business in the fair.

Efficient services mean therefore optimal working conditions, best use of time at the fair, a mind free of worries that

can give maximum attention to relations and business exclusively.

All inclusive

All in one: a single connection with the organiser, a single contract; and it is all included. The SICAM team's first commitment to every exhibitor is to simplify the organisational work and lighten cumbersome bureaucracy in company offices. From the setup to the logistics, the catering and hospitality services: the service of support is continuous also during the fair, a service that always comes with the maximum care and attention to detail.

EASY TO REACH

The commitment that underlies the *modus operandi* of the SICAM team is to accommodate each and every exhibitor and operator and anticipate their potential requirements, creating the most appropriate conditions for the success

of their participation. From arrival either at the airport or directly at the fair, buyers and operators will find dedicated shuttle bus services, parking spaces next to the pavilions, and comfortable and functional entrance points where everything moves quickly.

Parking

A new parking area for visitors was opened next to the South entrance to hall 1 on the occasion of SICAM 2015: more than 700 new car spaces providing visitors arriving in Pordenone with easy access to the fair. The entire back area of the pavilions is reserved for exhibitors, which allows participants to park their car near to their own exhibition area.

Pordenone Fair Viale Treviso 1 - 33170 Pordenone

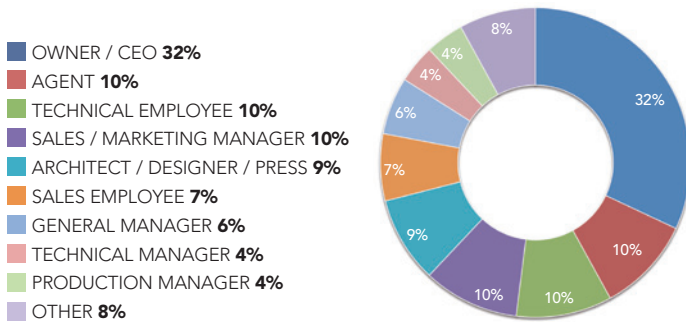

Exhibitor's opening hours **8.30 am - 7.00 pm**
